- Oversee audit and tax functions
- Develop and implement accounting policies
- Prepare forecasts and comprehensive budgets
- Monitor cash flow, accounts, and other financial transactions
- Supervise financial assistants and other employees in the facilitation of day-to-day operations, including tracking financial data, invoicing, payroll, etc.
- Prepare official reports on a monthly, quarterly, and annual basis
- Seek out methods and practices to minimize financial risk
- Create and maintain relationships with service providers and contractors, including banking institutions and accountants
- Manage internal controls
- ERP implementation (Netsuite)
- Etc.

### **Required expertise:**

- Advanced degree in accounting, business, finance, or a related field

- Several years of experience in finance
- Thorough understanding of business principles and practices
- Leadership skills, management experience
- Understanding of data privacy standard
- Superior communication skills, both written and verbal
- Strong analytical skills
- Flexible and self-entrepreneur minded, working independently
- Computer literacy, especially with reporting tools such as MS Power BI

**Languages:**

- Dutch or French
- English
