

Software Development Team Leader

ALLOcloud (www.allocloud.com) is a leading Cloud-based Telephony and Collaboration service provider headquartered in Belgium. In order to accelerate our growth, we are looking for a senior person to lead our software development team.

Title: Software Development Team Leader.

Region: Saintes, Belgium (close to Brussels, near Halle). The development team is based in Saintes and in Tunisia.

Project: ALLOcloud has developed its own telecom platform and associated portals. The project is therefore a long-term internal project with a specific roadmap of new features. The aim of this position is not to switch from project to project or from customer to customer. It is truly to lead the long-term roadmap of our SaaS platform.

Role:

As Software Development Team Leader, you will:

- drive architectural and technological decisions
- lead the software development team and participate to the evolution of our cloud platform
- work on integrations of our platform with other cloud applications
- follow latest technologies, setup labs, benchmark, evaluate and implement

Job description:

- Lead the software architecture & rollout
- Take strategic technology decisions
- Design, build and maintain the ALLOcloud platform
- Define the technical roadmap
- Code reviewing
- Mentor other developers
- Improve deployment processes
- Integrate other cloud platforms with ALLOcloud
- Participate to the development and implementation
- Follow up on technology and open-source ecosystem (we use a lot of Open Source components)

Required expertise:

- Experience in leading a team in software development environment
- Good people management skills
- SaaS-minded platform development approach
- Full stack experience (Python, NodeJS & React.js)
- Realtime and asynchronous knowledge
- Linux DevOps
- Automated deployments (Gitlab CI/CD)

Candidate profile:

- Team Player
- Customer satisfaction driven
- Problem solving attitude
- Good communication skills
- Analytical thinking
- Capacity to influence and engage

Languages:

- French or Dutch
- English

Contract: full time employee or long-term contractor (benefits may differ).

Package:

- Salary to be negotiated
- Company car with fuel card
- Laptop & Phone
- Meal tickets
- DKV medical insurance

You have such a profile and are interested to participate to an exciting adventure?

Please send your CV to: rens@allocloud.com and let's discuss!
